Standard PhotoPlaq: 3/8" PhotoPlaq with beveled

Float PhotoPlaq: A 3/4" back frame is recessed 2" from the edge to make the PhotoPlaq float.

Thick/Mega PhotoPlaq: A 3/8" PhotoPlaq with beveled edge on top of 3/4" back frame creating the three-dimensional effect.

Matted PhotoPlaq: These custom-stacked PhotoPlaqs are priced by adding the desired standard plaq prices together. Assume a 4" larger standard (length and width) as the back plaq. (Colored mats are available upon request; base colors are black or white.)

Custom Shapes are a special order, please contact for pricing.

Laser inscription is available to be inserted on almost any PhotoPlaq and many other substrates. Base pricing is \$5.00 per square inch of inscription area.

Edge Colors: Matte Black, Gallery Walnut, Silver Plume, Vegas Gold, Antique Cherry, Rocky Mtn. Pine, Barn Wood, Old Time Oak, Wedding White, Midnight Marble, River Rock, and Granite. Custom edge colors are available upon request.

Ultra Violet Light Protected Laminate Finishes:
 Velvet Matte - The standard finish, which is extremely durable, and perfect for high-traffic or public areas.
 Sparkle Satin - Great for inkjet prints, enhances color saturation and contrast.
 Non-Glare - Ideal for galleries and places with lighting conditions that cannot be controlled. This is the highest quality matte laminate on the market today.
 Gloss - The beautiful finish of this film is great for almost any image that requires a bright glossy finish.
